Page, Arizona 86040
928/645-1603

Minimum Qualifications:

1. Be at least eighteen (18) years of age
2. Must have graduated from high school or equivalency (GED).

Note: Applicants must provide photocopies of Birth Certificate and High School Diploma or GED when making application (Official Transcript of diploma will be required prior to indenturement).

Other Information:

1. Must be physically capable of performing the work of the trade.
2. Complete a six thousand (6000) hour comprehensive training program.
3. Attend 144 hours of classroom instruction per year on personal time.
4. Drug/alcohol test forty-eight (48) hours after signing apprenticeship agreements and on an annual, random, reasonable suspicion, job-to-job, and/or cause basis thereafter.
5. Legal right to live and work in the United States.
6. Abide by State and Area Apprenticeship Standards and Rules and any amendments or revisions thereto.

Welding Qualifications: All applicants will be required to complete a Random Selection Form. Applicants that have welding experience or training will have priority selection over those with no welding certification or training. Applicants must provide copies of proof of welding certification and/or training (after high school years) when making application. Duplicated copies of the original documents must be submitted as the area apprenticeship committee will keep them.

Selection of apprentices under this program is made on the basis of qualifications alone, as set forth in the approved selection procedures of the Boilermakers National Joint Apprenticeship Board for the Boilermaker Trade. All applications are afforded equal opportunity without regard to race, religion, color, sex, national origin, age or disability.

Questions regarding this program may be directed to this office by calling us at (928) 645-0277 or emailing us at westernstatesjac@gmail.com.

Sincerely and Fraternally,

Collin Keisling
Area Coordinator
